MEMORANDUM FOR: Deputy Director, CIA
FROM: Assistant Director for Policy Coordination
SUBJECT: AISO Memorandum of 15 September 1948 Concerning
Proposed Move of CCD. *attached*

1. It is considered that the relationship of OPC to the Communications Division will be substantially the same as that of OSD.
2. It is, therefore, considered necessary that in any move, OPC be located physically near the Signal Center.
3. OPC agrees that splitting up the facilities of CCD would entail risk of transmission delays and security compromise.
